Check-in is followed by inspection for fitness, lameness or “in season” females

Test Hours

8:00 AM EST until completed. Blocks will start at 9:00 AM each day

Early acceptance of dogs for members of the event committee may begin 30 minutes prior to published test hours.

We will be running the dogs concurrently in blocks, so you will be able to get both runs in the same block. We can adjust the run time for second runs to allow for cooling down dogs.

You will be expected to have complete information for your dog.

Incomplete entries **WILL NOT BE ACCEPTED**

Battery powered; continuous loop equipment will be used. Lures consist of white plastic bags. Electronic timing system will be used with manual timing as a backup. The run out will be a minimum of 50 yards and will be up to 60 yards. The track will be fenced with temporary fencing. Field is short grass and is flat.

Event Day Procedures

Each dog will be inspected by inspection committee for lameness, fitness to compete, and females in season. All dogs to be inspected must be presented without tape, bandages, or wrapping/coverings of any kind (coats, blankets, etc.). If in the opinion of the inspection committee a dog is found to be lame, unfit to compete, or in season, the dog will not be allowed to test, and the applicable entry fees will be refunded.

Dogs will be brought to the start line on a leash and released only upon a verbal signal “Tally-HO!” from the Huntmaster. Dogs may be released by hand, folded leash, or using a traditional lure coursing slip lead.

Dogs may run with or without a collar for safety reasons. Unacceptable collars are choker collar, prong collar, or electronic collar. Owners may use clips or rubber bands to hold the dog’s hair. The owner assumes responsibility for the safety of the dog regarding the dog’s collar and paraphernalia on the dog. The event committee at its discretion may require tags hanging from the collar to be secured to ensure the dog’s safety. Electronic training collars or pinch/prong collars are **NOT** allowed on AKC test grounds.

Ribbons

The club will be providing rosettes for new titles. Please let us know on your entry form if your dog will be getting a title. Qualified ribbons will be given with time, MPH and points on the back.

Fast CAT

The Fast CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run regularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100 yards is converted into MPH (miles per hour). Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap of 1.0
- 12" up to less than 18" = handicap of 1.5
- Below 12" = handicap of 2.0

Points = MPH multiplied by the dog's handicap.

MPH = 204.545/time

Titles

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = every additional 500 points

Tips for Handlers

1. It is strongly recommended that prior to running your dog, you have a good "recall" control over your dog, as the dogs will be off leash
2. Handlers should wear comfortable shoes and be physically able to hold and release their dogs, as well as catch them
3. Dogs will be brought to the start line on leash and released only upon the verbal signal "Tally-HO!" from the Huntmaster. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead
4. The catcher is expected to promptly secure the dog in the catch area and leave the field with the dog on a leash
5. Lure coursing is a physically demanding sport so please make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion
6. Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards
7. Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times

Neither Hold Your Hounds, Boston Terrier Club of North Carolina nor its members, will be responsible for any accidents at this trial
